HAEMILFARM

Pure Golden Plums from Korea

From Our Farm to Your Table

Haemil Farm grows premium Golden Plums in the clean air and rich soil of Korea.
From careful cultivation and handpicking to hygienic processing and packaging
every step is done with sincerity to bring you the best.

1. From Farm to Product

Every step with care and sincerity

Carefully Grown

Grown in **pristine areas**
with fresh air, clean water
and plenty of sunlight.
Our Golden Plums are nurtured
with **natural farming methods**
and heartfelt care.

Handpicked

We handpick only
fully ripened Golden Plums
at their peak of flavor
to ensure the highest quality.

Hygienic Processing

Using advanced facilities
we process our plums
with **strict hygiene standards**
to deliver safe and reliable products.

2. From Our Family to yours

Haemil Farm is a small family farm run by people who
truly love nature and believe in healthy food.
We promise to continue growing and sharing good
food you can trust.

Thank you for supporting our farm and our story

3. Our Safe & Hygienic Facility

Haemil Farm's processing facility meets strict hygiene
standards to ensure the highest quality and food safety.
